## *Welcome to Pete's*

*Pete's was brought to Anderson in 1954 and was the last restaurant to have curbside service. Since the early '60's it has been owned and operated by John Rozakos. We opened a second location in 1986 on Concord Road to better service the area. Thanks to you, we are still there, serving GREAT food prepared fresh daily....and lots of it!!*

*Pete's Downtown Café, located in historic downtown Anderson, in the location formerly known as Murph's Grill, is the 3<sup>rd</sup> "Pete's" restaurant to be opened by our family. As you leave, notice that we restored the old neon sign outside to its days of glory. This should bring back good memories for everyone. This is the only neon sign left on Main Street, so please enjoy it!*

*Thanks for stopping in and we hope you enjoyed your visit.*

*See you next trip!*

*Thanks,*

*The Rozakos Family*
