

Downtown Parking Plan New Service Level – Monthly Parking Program

In keeping with Downtown's ever changing parking needs, the City of Anderson is offering a new level of service within the Downtown Parking Plan. The new service level provides monthly parking options and it will continue to contribute to the success of Downtown by providing adequate, accessible and safe parking to the residents, employees and visitors of Downtown.

Four off-street parking areas are available for the Monthly Parking Program: West Whitner Parking Garage, Belk Lot (at McDuffie & Earle), E. Church St Lot and the Orr/Earle Lot. The area and number of spaces were selected based on their location; current occupancy rate and expressed interest from those who want to take advantage of a parking program. No 2 hour spaces will be changed to accommodate the monthly program. To view these parking areas, please visit <http://www.downtownanderson.com/downloads/parking.pdf>.

The rates are as follows:

Covered spaces - \$35 per month
Uncovered spaces - \$30 per month

Discounted group rates:

Anyone leasing 5 or more parking spaces will receive a 20% discount.
Garage token bulk rate - \$20 for \$25 value

Annual payment discount:

Anyone who wishes to pay one year in advance will receive a 10% discount.

Spaces allocated:

Thirty two spaces will be made available in the parking garage. Available spaces are 135-156, 163-172 and 174-184. Ten spaces will be available in the Belk Lot, five spaces will be available in the E. Church St Lot and five spaces will be available in the Orr/Earle St Lot. A total of fifty two spaces will be available through the Parking Program.

To participate in the Monthly Parking Program, or for more information, please contact Downtown Development Director Arlene Young at ayoung@cityofandersonsc.com or 864-231-2200.
